

Keep going! You are doing great!
Making great progress on Addition (6 sec)

Looking sharp!
Making great progress on Addition (6 sec)

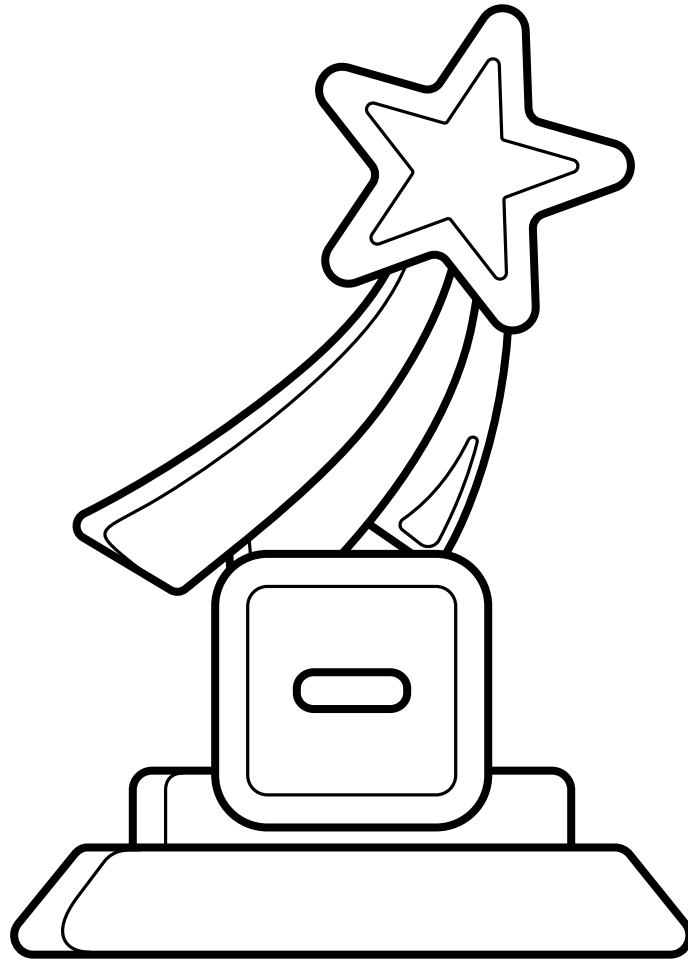

You got this! Just a bit more...
Making great progress on Addition (6 sec)

Outstanding! You have completed addition!

*Mastered all Addition facts
with a threshold of 6 seconds or less*

Keep going! You are doing great!
Making great progress on Subtraction (6 sec)

Looking sharp!
Making great progress on Subtraction (6 sec)

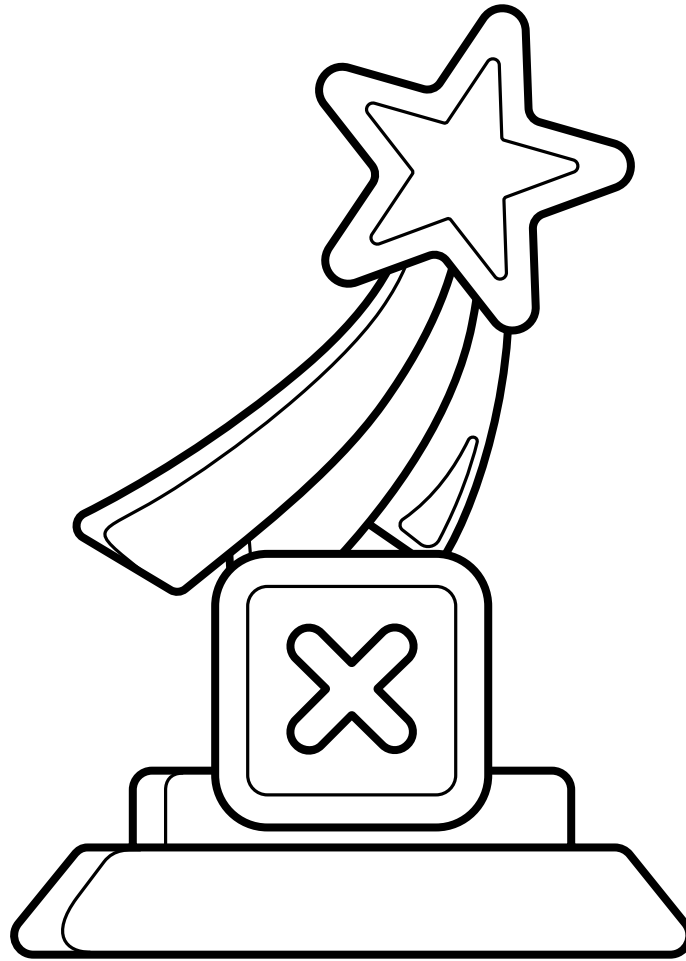

You got this! Just a bit more...
Making great progress on Subtraction (6 sec)

Outstanding! You have completed subtraction!

*Mastered all Subtraction facts
with a threshold of 6 seconds or less*

Keep going! You are doing great!
Making great progress on Multiplication (6 sec)

Looking sharp!
Making great progress on Multiplication (6 sec)

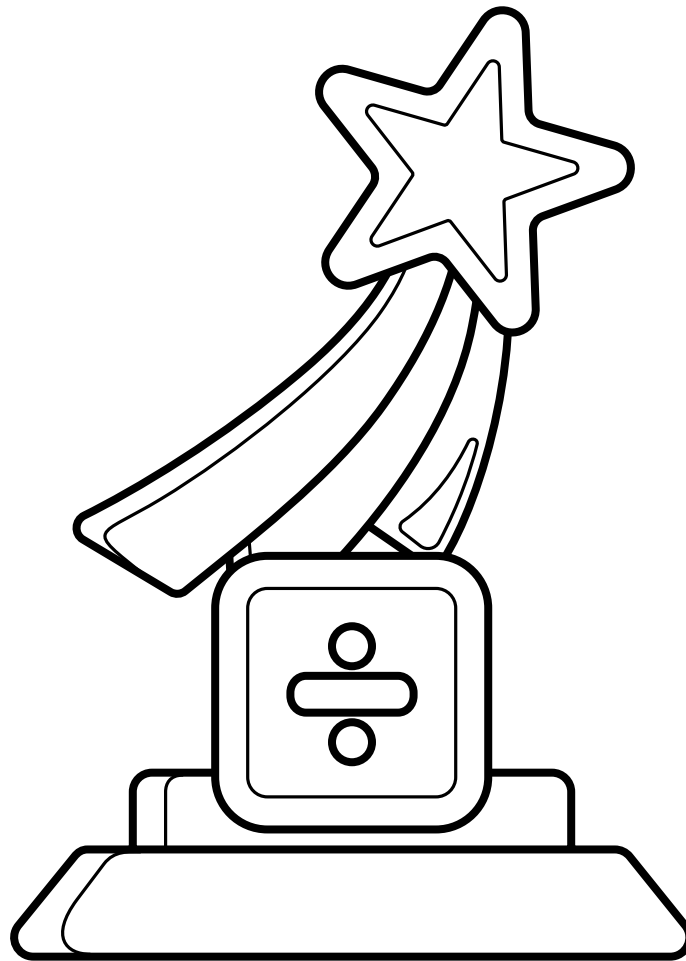

You got this! Just a bit more...
Making great progress on Multiplication (6 sec)

Outstanding! You have completed multiplication!

*Mastered all Multiplication facts
with a threshold of 6 seconds or less*

Keep going! You are doing great!
Making great progress on Division (6 sec)

Looking sharp!
Making great progress on Division (6 sec)

You got this! Just a bit more...
Making great progress on Division (6 sec)

Outstanding! You have completed division!

*Mastered all Division facts
with a threshold of 6 seconds or less*

Mastered all basic math facts in under 6 seconds:
Addition, Subtraction, Multiplication and Division
